

BIKING & WALKING INFO

Bikepgh.org

Pittsburgh's best resource for bikers includes maps, resources, event, and safety information.

Downtown Bike Lanes (see map) Protected bike lanes on Penn Avenue from the 16th Street Bridge to Stanwix Street, 6th Street from Penn Avenue to Fort Duquesne Blvd., and across Clemente Bridge.

Healthyridepgh.com

Healthy Ride Pittsburgh is a public bike sharing system, operated by Pittsburgh Bike Share with numerous bike stations in Downtown. The bikes are available to rent 24/7, 365 days a year.

Three Rivers Heritage Trail

A multi-use, 24-mile riverfront trail system, has segments on both banks of Pittsburgh's three rivers that provide access to city neighborhoods, business districts, and local attractions. The trail highlights Pittsburgh's history through Interpretive Signage. It also serves as the Pittsburgh hub for such other trail system connections as the Great Allegheny Passage, the Erie-to-Pittsburgh Trail, and the Pittsburgh-to-Harrisburg Main Line Canal Greenway. Visit friendsoftheriverfront.org for detailed information and maps.

Walkpittsburgh.org

Resources to encourage walking as a commuting option, to improve pedestrian safety, and to convey the health and economic benefits of walking.

THE LIBERTY BRIDGE CORRIDOR

The Liberty Bridge Project

Continues through 2017 with a scheduled completion date of July 2018. There will be weekend and overnight closures. In addition, the Blvd of the Allies ramp to Liberty Bridge will be closed for 80 days, and Ramps A (from Liberty Bridge to Blvd of the Allies) & B (from Blvd to the Bridge) will be closed from April for 132 days. Go to <http://bit.ly/2n9XtD0> for further information on the Liberty Bridge.

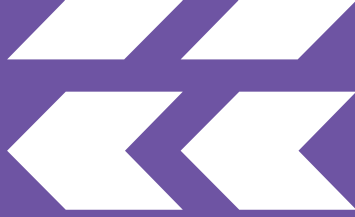

The Liberty Tunnel Phase 5 project

Begins in spring of 2017 with an estimated completion date of spring 2019. There will be weekend and overnight scheduled closures. Nightly outbound tunnel closures will use McArdle Roadway as the detour. McArdle Roadway will not be used as the detour for weekend closures of the bridge and tunnel.

PennDOT will try to ensure that scheduled closures of the Liberty Bridge and the Liberty Tunnels are coordinated to occur at the same time.

The Liberty Interchange Project

Involves replacing the bridge decks over the interchange. Running from March - July 2017 this project requires 31 nights of restrictions on Rte. 51, followed in mid-April by long-term restrictions on northbound Rte. 51.

SELECTED TRANSPORTATION RESOURCES

Amtrak.com

Information on passenger rail service available in Pittsburgh.

Commuterinfo.org

Commuting options for workers and students including regional transit, vanpooling, carpooling, biking, and park-n-ride facilities in southwestern Pennsylvania. 1-888-819-6110.

Portauthority.org

Check out the T Free Fare zone including all T stations from First Avenue to Allegheny Station on the North Side. It's free 24/7.

Remember: pay when you enter all Port Authority buses and the T. All fares are \$2.50 with a ConnectCard; \$2.75 with cash. Transfers are \$1 with ConnectCard; full fare required if using cash. Children up to age 5 ride free with fare-paying adult.

All Port Authority bus routes are equipped with bike racks. Bikes can also be brought aboard the T or Mon Incline.

Transitapp.com

Upcoming departure times are available for nearby transit service in big text and bright colors — no taps required. Plan your trip, set reminders, and receive notifications about disruptions.

Uber.com/cities/pittsburgh & lyft.com/cities/pittsburgh

Uber and Lyft, transportation network companies in Pittsburgh, connect paying passengers through the internet or their mobile apps with drivers who provide the transportation in their own non-commercial vehicles.

Zipcar.com

Cars, trucks, and vans to rent by the hour or the day. Pay only for what you actually need. Visit our website to learn which cars are located near you.
