PARIS TO PITTSBURGH

IMPROVE YOUR DOWNTOWN STOREFRONT OR BUILDING FAÇADE

PITTSBURGH DOWNTOWN PARTNERSHIP'S PARIS TO PITTSBURGH PROGRAM PROVIDES MATCHING GRANT FUNDS FOR FAÇADE IMPROVEMENTS AND OUTDOOR DINING ELEMENTS

PARIS TO PITTSBURGH is a funding program administered by Pittsburgh Downtown Partnership and generously funded by the Colcom Foundation. Paris to Pittsburgh seeks to enhance the environment of Downtown Pittsburgh with building and public realm improvements implemented through the Sidewalk Activation Program and the Façade Improvement Program. Because the quality of the built environment impacts the success of urban centers, Paris to Pittsburgh's goal is to activate the Golden Triangle through quality pedestrian-oriented streetscape and facade design. This program promotes physical improvements that will help to enliven Downtown Pittsburgh and looks to Paris' vibrant street environment for inspiration.
