

Thanksgiving Pittsburgh Post-Gazette Insert Ad

On Thursday, November 28, the Pittsburgh Downtown Partnership will place a Holiday Season insert in the Pittsburgh Post-Gazette. This insert will highlight holiday activities occurring in Downtown, including the Peoples Gas Holiday Market™, Holiday KidsPlay, and other highlights. There will be a special focus on shopping in Downtown, with particular attention paid to Small Business Saturday (November 30).

Downtown businesses have the option to purchase a 1/4 page ad or a 1/8 page ad at significantly reduced ad rates. Thanksgiving Day is one of the largest circulation days for the Post-Gazette due to the large number of Black Friday Ads, with an additional over-run of 10,000 inserts being available throughout Downtown for the Holiday Season.

Space must be reserved by November 5, with camera-ready artwork due by November 13.

PDP Member Ad Rates:

1/8 Page: \$200

1/4 Page: \$400

Non-Member Ad Rates:

1/8 Page: \$250

1/4 Page: \$500

Thanksgiving Pittsburgh Post-Gazette Insert Ad Specs

1/4 Ad

- The minimum to reproduce is 3%. Any tint higher than 85% will print solid.
- Reverse type can be no smaller than 12 pt.; non-reverse type can be no smaller than 8 pt.
- Type should not be reversed out of areas with a screen of less than 50%.
- Lines should be 1 pt. or thicker.
- Use clean, sans serif fonts. Avoid serif fonts with thin lines.
- Logos printed on colored paper or with metallic inks do not reproduce well. This includes business cards and letterheads.
- Refrain from obtaining logos, photos or other artwork from the internet. Images on the internet are 72 dpi and the Post-Gazette prints at 200 dpi, making the images from websites one-third the size needed for print.
- It is recommended that all ads have a minimum 1 pt. border on all sides.
