Proposed Elevations

5 Aerial View from Southwest

4 Aerial View from East

Interior Rendering

Exterior Rendering

FAR - Variance Needed (Assumed)

Awaiting confirmation on the decimal point that the city calculates FAR to

7.5 Allowable in GT-C for Non-Residential Buildings

14.35 Current building FAR

14.38 Proposed building FAR

Incline Plane - Variance Needed (Assumed)

Awaiting confirmation about if the addition does not protrude further into the incline plane than the existing building negates the need for a variance.
