

September 27, 2021

Dear Friends!

On October 5, Auberle will host its 17<sup>th</sup> Annual ***Voices Carry*** presented by Huntington Bank. This unique concert event supports the 4,000 children and families served annually by Auberle's 20 plus vital programs.

***We invite you to be a part of this special evening by supporting our silent auction.*** All donations (including monetary) are welcome. In exchange for your generous gift, Auberle will provide recognition on signage at the event, as well as a listing in the evening's program.

We are very excited to bring this event back live and in person and make it the best one to date! As you know, the past year has been a challenging one. We are thrilled to have the opportunity to come together face-to-face to celebrate our community and make an impact on those we serve.

Thanks to charitable businesses and individuals, ***Voices Carry*** generates essential financial support for Auberle's programs and services. In donating to the auction, you are partnering with an award-winning agency, one that consistently delivers remarkable outcomes in our community.

Dale Crawford at Auberle would be glad to coordinate your donation or answer any of your questions; she can be reached at 412-673-5856 ext. 1291 or [dalec@aublerle.org](mailto:dalec@aublerle.org).

We thank you for your support!

Sincerely,

Ashley C. Bright  
Director of Development
