THE BUSINESS OF DIFFERENCE MAKING

## Corporate and Community Discount Partnership

### PROGRAM OVERVIEW

The Palumbo-Donahue School of Business at Duquesne University is pleased to introduce you to our Corporate and Community Discount Partnership for select organizations. Launched in fall 2022, this partnership program offers eligible employees a **15% tuition discount** for our Professional MBA program. The program is open only to students not currently enrolled in Duquesne's Professional MBA program.

### Preparing Your Employees is Your Advantage

Company-sponsored educational benefits provide a return on investment that boosts organizations' reputations while advancing employees' skill sets. Providing educational programs is a great employee perk and leads to positive outcomes, including:

- Attracting and retaining energetic, motivated and prepared talent
- Increased organizational innovation and productivity
- Improved employee morale and loyalty
- Increased engagement and productivity
- Enhanced decision-making abilities

### Why a Palumbo-Donahue School of Business Professional MBA?

The Professional MBA delivers an experiential and transformational learning experience that challenges and prepares students by providing the tools to be competitive in a global environment. The flexible format allows employees to start at different times throughout the year, and the program can typically be completed in just two years.

### What can your employees expect from a Duquesne MBA?

- **Flexible online and evening class options** that enable students to complete their degree on campus, online or through a combination of both options so that they can balance their career and education
- **Stackable certificates and joint degrees** that allow students to build specializations and customize their programs, offering the freedom to tailor studies to achieve organizational goals
- **Experiential learning** in our capstone sequence, which gives students an opportunity to put their learning into action while providing consulting services to area businesses and organizations
- **A robust professional network** of recent graduates, joint-degree students and working professionals across a wide range of industries
- **Personalized advising** to assist students in building a course plan that aligns with their personal and professional commitments.
