

A MESSAGE FROM OUR SPONSOR

Dear Downtown Stakeholder,

Comcast Business is proud to sponsor Pittsburgh Downtown Partnership's 2026 Annual Meeting and join the community in celebrating the achievements that have shaped our city over the past year. This gathering comes at an extraordinary moment in Pittsburgh's story as the 2026 NFL Draft spurs renewed interest and accelerated investment in the area, strengthening the foundation for long-term economic growth and revitalization.

As the PDP and its partners advance a bold 2025–2028 strategic vision, we're inspired by the focus on building a Downtown that is cleaner, safer, more connected, and more vibrant for everyone who lives, works, and visits here. From expanded residential development to major public space improvements like the enhancements to Market Square, the momentum is real.

At Comcast Business, we're celebrating 20 years of powering Pittsburgh's innovation economy. What began as a commitment to reliable connectivity has evolved into a global technology platform built for a digital-first world – bringing together high-performance connectivity, secure networking, advanced cybersecurity, enterprise WiFi, mobile solutions, and managed services. Today, nearly half of all businesses in the Greater Pittsburgh region rely on Comcast Business to keep their operations running securely, efficiently, and ready for what's next.

Pittsburgh's business landscape is as diverse as the neighborhoods that define it. We're honored to support the small businesses, restaurants, retailers, and entrepreneurs that create the heartbeat of Downtown, alongside the hospitals, universities, manufacturers, entertainment venues, and global enterprises that drive economic growth, research, and innovation across our region.

As AI, automation, and cybersecurity increasingly shape how organizations compete, Comcast Business remains committed to delivering the advanced connectivity and secure networking infrastructure that enables innovation – backed by a local team deeply invested in the future of this city.

The progress Downtown is making is a testament to the power of collaboration, and we are proud to stand alongside the PDP, city leaders, and the entire business community as we turn renewed momentum into lasting impact.

Cheers to a year of continued growth, partnership, and possibility for Downtown Pittsburgh.

Sincerely,

Aaron Mimran

Vice President, Comcast Business, Keystone Region
